

# Mobile LED Scoring Carts

Engage fans from your sidelines with mobile LED scoring carts by AAE, powered by ScoreVision software. These outdoor mobile scoring carts can bring more excitement, more sponsorship revenue, and a professional fan experience to your games.

## MULTIMEDIA CONTENT

Engage fans from the sidelines with graphics, videos, and other media content controlled by the ScoreVision Producer App, the most user-friendly game production software on the market

## GENERATE SPONSOR REVENUE

Unlock more fundraising revenue for your athletic program. ScoreVision Cloud makes it easy to show automated ad sequences on your mobile scoring cart

## KEEP SCORE FROM THE SIDELINES

Show score information on all-digital, custom scoreboards for football, soccer, lacrosse, and rugby games – pushed automatically from your Scorekeeper Apps with no extra effort

## DESIGNED FOR OUTDOOR USE

Made from aluminum and other durable materials and packed with convenient features like outlets, scorer's table, and protective canopy
